

Our Promise of Quality.

The Fraser-Johnston® name is synonymous with trusted quality and reliable performance. The Fraser-Johnston® line of residential air conditioners is no different. We care about each and every unit that comes off the line.

We design, engineer and assemble Fraser-Johnston® LX Series air conditioners in the United States, where we can closely monitor and improve processes that directly affect quality. It's this commitment to excellence that allows us to offer outstanding warranties, meet the highest industry standards and deliver energy-saving comfort that lasts a lifetime. That's why, when it comes to home comfort, Fraser-Johnston® is committed to providing value and performance you can trust.

LX TC17 Air Conditioners

At Fraser-Johnston®, we know you depend on us for home comfort that won't let you down. Our industry-leading warranties continue that tradition of earning your trust – and keeping it.

Compressors are the heart of every home comfort system. That's why all Fraser-Johnston® LX Series TC17 air conditioners receive 10-year Compressor Limited Warranties.

10-year compressor, 10-year parts and 1-year labor limited warranties require online registration within 90 days of installation. Otherwise, warranties revert to the standard 5-year compressor and 5-year parts limited warranties.

Advanced Features: Fraser-Johnston® LX Series TC17 Air Conditioners.

Efficient comfort

- **Two-stage compressor** provides quiet, efficient operation.
- **ENERGY STAR®** certified performance means greater energy efficiency.

System flexibility

- **Compact footprint** allows the unit to fit in tight spaces – without limiting performance, capacity or efficiency.
- **Humidity control** through two-stage operation enables longer run times compared to single-stage equipment.

Trusted quality

- **Unmatched warranties** include a 1-year Labor Limited Warranty, 10-year Parts Limited Warranty and a 10-year Compressor Limited Warranty.
- **Design, engineering and assembly** in the United States allows us to closely monitor and improve processes that directly affect quality.

Complete Control, Anywhere You Go.

With the touch of a screen or the swipe of an app, you're in complete control of your home comfort with the Reliant™ Hx3™ 4.3-inch Touch-screen Thermostat. As part of the LX Series home comfort system, the Hx3™ thermostat provides local or smartphone-based remote control of LX Series furnaces, air handlers, heat pumps and air conditioners at the touch of a finger.
