**LUXAIRE®**  
HEATING ■ AIR CONDITIONING

# Exceptional Comfort from a Premier Brand.

From design to product testing, Luxaire® products are built with time-tested craftsmanship. Since 1939, we've been setting the standard in innovation for heating and cooling systems. So we're confident our air conditioners will provide the consistent comfort, exceptional energy savings and lasting performance you've come to expect from the Luxaire® name.

## Uncompromising Features: Luxaire® LX Series TC17 Air Conditioners.

### Efficient comfort

- **Two-stage compressor** provides quiet, efficient operation.
- **ENERGY STAR®** certified performance means greater energy efficiency.

### System flexibility

- **Compact footprint** allows the unit to fit in tight spaces – without limiting performance, capacity or efficiency.
- **Humidity control** through two-stage operation enables longer run times compared to single-stage equipment.

### Trusted quality

- **Unmatched warranties** include a 1-year Labor Limited Warranty, 10-year Parts Limited Warranty and a 10-year Compressor Limited Warranty.
- **Design, engineering and assembly** in the United States allows us to closely monitor and improve processes that directly affect quality.

# Complete Control, Anywhere You Go.

With the touch of a screen or the swipe of an app, you're in complete control of your home comfort with the Luxaire® Hx™ Touch-screen Thermostat. As part of the LX Series home comfort system, the Hx™ thermostat provides local or smartphone-based remote control of LX Series furnaces, air handlers, heat pumps and air conditioners at the touch of a finger.

## Unparalleled Options for Your Comfort.

Luxaire® has many options to best suit your home's requirement and your needs.

## Exceptional Reliability.

 **Advanced manufacturing**  
State-of-the-art quality control and assembly processes built upon the manufacturing expertise of Johnson Controls.

 **Optimized efficiency**  
Matched components do more with less, which is why Luxaire® products fit perfectly in your home while delivering advanced levels of efficiency.

 **Most efficient**  
Select Luxaire® residential products are recognized as ENERGY STAR® Most Efficient.

# American Reliability You Can Trust.

Your trust in Luxaire® is a matter of personal pride. We care about the lasting dependability of every Luxaire® unit that comes off the line, and we build each one as if it were for our own home.

We design, engineer and assemble Luxaire® LX Series air conditioners in the United States, where we can closely monitor and improve processes that directly affect quality. That's why, when it comes to home comfort, Luxaire® continues to set the standard.

## TC17 Split System Air Conditioners

MODEL	TONS	EER*	SEER*	DIMENSIONS (INCHES)		
				H	L	W
TC1724B2IS	2	Up to 14.00	Up to 17.50	40.25	34.50	38.25

TC1760B2IS	5	Up to 13.00	Up to 16.00	46.50	34.50	38.25

*\*Actual EER and SEER ratings may vary depending on tonnage and matched indoor component.*

Ask about ways to improve your indoor environment and protect your family's health with our Total Comfort System™ approach to indoor air quality.

## Ask About Financing.

Ask your Luxaire® Contractor about available financing options. Applying is easy and, upon approval, you'll enjoy low monthly payments and financing offers.

TC17 models meet ENERGY STAR® requirements for energy efficiency.

## LX TC17 Air Conditioners

At Luxaire®, we believe you should expect more. That's why we offer products built from continual innovation and precision craftsmanship, backed by uncompromising warranties that lead the industry.

Compressors are the heart of every home comfort system. That's why all Luxaire® LX Series TC17 air conditioners receive 10-year Compressor Limited Warranties.

*10-year compressor, 10-year parts and 1-year labor limited warranties require online registration within 90 days of installation. Otherwise, warranties revert to the standard 5-year compressor and 5-year parts limited warranties.*
